

Event Sponsorship

REGULAR EVENTS

Sponsorship of AmCham events is a high-profile promotion opportunity to boost your company profile among our members, the media, key government officials and your potential and existing customers. AmCham holds more than 40 events each year with key decision makers and business leaders. These include:

LUNCHEONS

Monthly luncheons bring high level guest speakers before the chamber to discuss timely and relevant issues. In 2013-2014 our luncheon speakers included EU Commissioner Andris Piebalgs, Bank of Latvia President Ilmars Rimšēvičs, Ex-Prime minister Valdis Dombrovskis, Minister of Defense Pabriks, Minister of Foreign Affairs Edgars Rinkevics, Minister of Economics Vjaceslavs Dombrovskis and many other business leaders.

AMCHAM OUTLOOK

AmCham Outlook is a high level forum aimed at exploring higher level issues in greater detail than other formats. It features Latvia's best and brightest, focused topics, a debate format and extended Q&A session.

In 2013 our Outlook series addressed topics such as the development of the transport and transit sector and the insolvency system of Latvia.

SEMINARS

Seminars offer expertise and knowledge of our members and other guest speakers in a wide range of business areas. Seminars include presentations, case studies and discussion followed by networking.

MEMBER FOCUS LUNCH

Member Focus Lunch is an invitation - only event for our top level members, aimed at discussing the business climate and sharing feedback on AmCham's activities.
